Re: FOIA Tracking Number **26-00736-F-HQ**

Dear Mr. Sykes:

This responds to your Freedom of Information Act (FOIA) request to the National Aeronautics and Space Administration (NASA), dated and received in this office on April 15, 2026. You seek documents (or a document) for the FY21, FY22, FY23, FY24, and FY25 budgets for the NASA Planetary Science Division.

Please note that FOIA request 26-00737-F-HQ, seeking FY25 Planetary Science Division budget information has been closed as a duplicate request. We are providing a consolidated final determination under this request **26-00737-F-HQ**.

In response to your request, we conducted a search of NASA's Office of the Chief Financial Officer using the. That search identified the enclosed records that are responsive to your request. We determined that one page is appropriate for release without excision and a copy is enclosed.

Appeal

If you believe this to be an adverse determination, you have the right to appeal my action on your request. Your appeal must be received within 90 days of the date of this response. Please send your appeal to:

Administrator
NASA Headquarters
Executive Secretariat
ATTN: FOIA Appeals

Both the envelope and letter of appeal should be clearly marked, "Appeal under the Freedom of Information Act." You must also include a copy of your initial request, the adverse determination, and any other correspondence with the FOIA office. In order to expedite the appellate process and ensure full consideration of your appeal, your appeal should contain a brief statement of the reasons you believe this initial determination should be reversed. Additional information on submitting an appeal is set forth in the NASA FOIA regulations at 14 C.F.R. § 1206.700.
